Paul Speltz "Anti-Cable" Speaker Cable

\$80/8'

A godsend to those who want good sound but don't want to spend big bucks. SK was blown away by its neutrality and lack of coloration, high frequencies that were open and clear with no tizziness, a midrange of exceptional clarity, transparency and detail, and bass that was extended, with remarkable articulation.

Synergistic Research REL-spec Reference Subwoofer Cable

\$1320/3m

Pricy but potent, these inspired subwoofers cables are specifically optimized for REL subwoofers and include REL-specified Neutrik connectors. They improved the inherent musicality and pitch precision of the Britannia B3 in every instance—the lowered noise floor yields more detail, an enhanced sense of space, and expanded ambience retrieval.

Apex interconnect: \$3600/1m

Apex speaker cable: \$7400/8'

Some of the most transparent cable at any price. A splendid balance of detail, romantic richness, and Grand Canyon-like soundstaging that is magnified as you move upward through the line. The top-of-the-line Apex, however, is the real low-level resolution master, mining details and harmonic shadings like few wires NG has heard to date.
